

Kazato Research Foundation

Kazato Research Encouragement Prize Lecture Meeting

On November 5, 2022, the Kazato Research Foundation (Chairman: Nobutaka Hirokawa) held the Kazato Research Encouragement Prize Lecture Meeting at the 65th Symposium of the Japanese Society of Microscopy at Kawasaki Sukenobu Memorial Hall.

Many participants were attended, not only members of the Japanese Society of Microscopy but also people from business, research institutions and the general public.

The content of the Kazato Research Encouragement Prize Lecture Meeting is listed below, and prompted lively questions from the audience, showing the high level of interest in the lecture meeting.

The Foundation would like to express their sincere appreciation to all the participants.

Winner of 2017

Takanori Onouchi

Study theme:

[Correlative Light and electron microscopic studies on novel functions of APC protein in the intestinal epithelium cells]

Senior Assistant Professor, Open Facility Center, Fujita Health University

Session chair

Hitoshi Ozawa

Professor, Bukkyo University

Professor Emeritus, Nippon Medical School

Winner of 2018

Lin Yung-Chang

Study theme:

[Investigation of the magnetic moment of single transition metal atom by using scanning electron vortex beam]

Researcher, Nanomaterials Research Institute, National Institute of Advanced Industrial Science and Technology

Session chair

Kazutomo Suenaga

Distinguished Professor, Osaka University

Venue: Kawasaki Sukenobu Memorial Hall
